October 2015

Every year in October, the ministry of Street Connection reaches a milestone. Established in October 1992, we are looking forward to beginning our 24th year of service. Reflecting back on our history always inspires thankfulness. We thank God for His continued faithfulness to provide everything needed to do this work of helping people in need. We are thankful for the many people like you that He has used - people that have given of their time and resources to help make this outreach possible. Thank You - Lord Bless You.

We continue to help low income families in the HRM with our focus primarily on children. Our regular bus schedule continues to take us on location in Halifax to the 500 Block of Herring Cove Road, Bayers Westwood, Mulgrave Park and Greystone Drive. We also continue to deliver bread to the former Scotia Court area in Dartmouth.

This time of year also turns our thoughts to preparing for our upcoming Christmas Outreach. It is another opportunity to reach out in a practical way to those in need. Last year we delivered the turkey hampers during the second week of December to our regular stops in the HRM. That plan worked well and we hope to do the same this year. If you would like to be a part of the 2015 Christmas Outreach here is how you can help:

- A Donation of \$25.00 will provide one family with a turkey hamper consisting of a frozen turkey, vegetables, bread and a dessert.
- A Donation of the following items: (New Only Please) hats, mitts or socks for children.
- A Donation of \$10.00 will enable us to purchase eight pairs of children's socks.

It would be helpful if all donations were received before December 1st

Jesus said to them, "I am the bread of life; he who comes to Me will not hunger, and he who believes in Me will never thirst." John 6:35
